

JOSHUA AGYEKUM - TALENT DEVELOPMENT SPECIALIST

Oslo, Norway | [Email](#) | [Phone](#) | [LinkedIn](#) | [Portfolio](#)

PROFILE

Talent Development Specialist with 5+ years of experience designing, delivering, and continuously improving employee development solutions that strengthen organizational capability, engagement, and performance across international organizations. Proven track record in onboarding and role readiness, performance enablement, leadership development support, and digital talent experiences that scale through self-service tools and data-informed improvement.

Experienced partnering with stakeholders across functions and cultures to diagnose capability needs, co-create practical solutions, and support adoption through change enablement. Strong digital-first mindset with hands-on experience leveraging LMS ecosystems, SCORM/xAPI standards, and analytics to measure impact and improve workforce outcomes. Permanent Norwegian resident with official B1 Norwegian language certification and professional experience in Norway.

CORE COMPETENCIES

Talent Development & Employee Experience

- Onboarding and role readiness (time-to-productivity enablement)
